Creativity Movement

Street Outreach

The Creativity Movement is a pro-white organization that is dedicated to the survival, expansion and advancement of the White race - and it alone.

Our common interest as creators is twofold: one, to spread the good word of the life-affirming faith of Creativity through the materials that have been presented to us by our founding father, the late-great Ben Klassen. Second, to reach out and win our people back through the emphasis of community based activism and social correspondence; to organize, mobilize and manifest destiny by implementing within our people a sense of pride, dignity, purpose, self-sufficiency and most of all - Racial Identity. We must vanquish our dependencies for non-white culture in all their many subjective forms.

WE MUST SECURE THE EXISTENCE OF OUR PEOPLE AND A FUTURE FOR WHITE CHILDREN.

Golden Rule: What is good for the White Race is the highest virtue, and what is bad for the White Race is the ultimate sin.

The Creativity Movement summons all White People of the World to join us and do their ancestral and biological part in the struggle for survival. The first step in such is to have a complete Revolution of Values. Modern Values which are based on unnatural emotions such as "Love your enemies" and "Blessed are the meek", Values which push the Superior group (The Glorious White Race), to run from the inferior Non-Whites, must be destroyed! With Pride in our Hearts, and the strength in our Logic, our Church will expose, defeat, and eliminate these depraved concepts and the people who concocted such filth for all eternity! So that we may Survive. The Time is Now To stand up and Fight! We Must Fight against those philosophies and groups that follow such nonsensical slogans such as "Race is a myth". These "people" are not only lying to you, but they are openly participating in the murder of the only productive Race in the World--The White Race. Insulting your instincts and your intelligence, these institutions, including the U.S. Government, promote Race-Mixing (The genocide of two Races) daily, through our mass media and "educational" facilities. If we don't Fight, we will Perish, our Children will Perish, and with us... Civilization. Join The Creativity Movement For A Historical Revolution Of Values Through Religion! A Religion Based On Nature, And Not On Supernatural Myth!

CREATIVITY!

A POWERFUL RELIGIOUS CREED STRUCTURED FOR THE SURVIVAL, EXPANSION, **AND ADVANCEMENT OF NATURE'S FINEST, THE WHITE RACE.**

"***In a rapidly degenerating world that is now overcrowded and overrun with an explosion of inferior mud races; a world that is drug-ridden and already overly polluted with toxic chemicals and nuclear wastes; a world now steeped in anarchy, chaos and terrorism, it is nevertheless our ultimate and continuing goal to build in its place a WHITER AND BRIGHTER WORLD for our future generations.***" **- Ben Klassen**

The Five Fundamental Beliefs of Creativity

WE BELIEVE that our Race is our Religion

.

WE BELIEVE that the White Race is Nature's Finest.

WE BELIEVE that racial loyalty is the greatest of all honors, and racial treason is the worst of all crimes.

WE BELIEVE that what is good for the White Race is the highest virtue, and what is bad for the White Race is the ultimate sin.

WE BELIEVE that the one and only, true and revolutionary White Racial Religion - Creativity - is the only salvation for the White Race.

After six thousand years of recorded history, our people finally have a religion of, for, and by, them. CREATIVITY is that religion. It is established for the Survival, Expansion, and Advancement of our White Race exclusively. Indeed, we believe that what is good for the White Race is the highest virtue, and what is bad for the White Race is the ultimate sin.

We have come to hold these views by observing the Eternal Laws of Nature, by studying History, and by using the Logic and Common Sense everyone is born with: the highest Law of Nature is the survival of one's own kind; history has shown us that the White Race is responsible for all that which we call progress on this earth; and that it is therefore logical and sensible to place supreme importance upon Race and to reject all ideas which fail to do so.

Our people have faced threats throughout history, but never before has our people faced as grave a threat as it is facing today. Today, our people's very continued biological existence on this planet is in doubt. In 1920, for example, one out of every three people on this planet were White. Today, only one out of twelve are White. If present trends continue, one can only imagine what the complexion of the world will be like in another one hundred years.

How did this calamity come about? It came about because of our people's skewed thinking. Our people have thus far been concerned with every issue besides the issue of their own survival. We have subsidized those not of our own kind at our expense, causing their numbers to soar, while at the same time, White people have scaled back the size of their families, either out of selfishness or because of low-paying salaries and exorbitant taxes. We have divided ourselves into all kinds of organizations and causes, none of whom address the most basic issue: Will White children have a future? With CREATIVITY, this is the issue, and all other issues revolve around it.

Our people everywhere are beginning to embrace the dynamic and inspiring creed and program of CREATIVITY. White people everywhere are beginning to put aside their past differences and divisions and are coming together as one people for their best interests. More and more of our people are beginning to realize that if White people do not look out for their own future, no other people will. As a result, our churches are sprouting up all over the world, our ministers preaching the word of White unity and our members zealously spreading the word to you, our fellow White people.

We hope that after reading this pamphlet, you will decide to obtain more information, will consequently decide to become a member of our church, The Creativity Movement, and will decide to join us in this historic struggle. - Rev. Matt Hale

The Facts on White Racial Extinction

Interracial mixing

- **Between 1968 and 1989, children born to interracial parents increased from 1% of total births to 3.4%. By 2000, this number had more than doubled to 8%**
- **Carry that 8% forward a couple decades—eights times two is 16, two times 16 is 32, and two times 32. . . Couple this ominous trend with the fact that the White birth rate is now well below the replacement level and falling fast, and you see that use of the term extinction is not hyperbole.**
- **In California in 1998, 15.3% of the babies born were interracial and 72% of births were non-white. Almost 25% of marriages are interracial.**
- **"Mixed-race people will become an increasingly large percentage of the population." said Mary Heim, assistant chief of the demographic research unit in the California Bureau of Finance. "Eventually, nearly everyone will be multiracial."**

Conclusion:

In the short term, the loss of a white majority will result in the loss of America's Euro-ethnic traditions, culture, and way of life. In the long run, the greatest race to ever walk the Earth is committing suicide. Around the year 2100, if the current intermarriage rates and birthrates continue, the White Race will become extinct.
